

Hunter's Lodge is a slice of heaven where you can overnight in a clean cabin, vacation home or motel and bask in the ambience of Dale Hollow Lake. Owner, Jeff Longworth moved down to the "Top of the Hill" area at Dale Hollow Lake in 2003 and bought the property from the original owner after he fell in love with Dale Hollow Lake and Tennessee.

Jeff is no stranger to hard work. He left his landscaping business to his brother in Indiana to be able to pull up his sleeves and start redoing/renovating many of the units and acquiring more homes and cabins to share with the vacationers at Dale Hollow Lake. Jeff likes to think of Hunter's Lodge as a "Mom and Pop" shop. He loves to interact with the clients and make them feel welcome and at home. Hunter's Lodge is conveniently located (just down the road) from Cedar Hill Resort, Dale Hollow Marina and Pleasant Grove boat ramp and camping area, and is situated on a dead end road. It is peaceful, clean, tranquil and a slice of country living. It is not uncommon to see deer grazing, wild turkeys roaming, or bald eagles flying overhead. Jeff loves to get a good campfire going, tell some tales and fishing stories, allow the families and couples vacationing to socialize and enjoy the experience of sitting by the campfire. Jeff has also been known to fire up the grill and feed his guests hotdogs, burgers, brats or whatever tickles his fancy that day. He also likes to help with tourist advice, fishing information (Jeff loves to fish) and programs for the day. The accommodations at Hunter's Lodge are varied and fall within any budget. They are clean

with the highest ratings from the health department. The lodging is pet friendly and a non-smoking facility. They are conveniently located to downtown Celina where you can experience some wonderful antique and gift shops or a local grocery store. Wi-Fi is also available at Hunter's Lodge as an added convenience, if you must check email while vacationing or visiting. Hunter's Lodge is available for nightly, weekend, week or month rentals and Jeff promises to take good care of you while you are visiting Dale Hollow Lake.
